💼 WORK EXPERIENCE

Nutritionist

Self-employed (2020-2021)

I launched an entrepreneurial project (Paola Petri NUT), aimed to help people with eating disorders and disordered eating. I manage and create content for its website, Instagram account and YouTube channel.

Writer, editor and proofreader

Focus by Cathopic (2019-2020)

I worked creating, reviewing and correcting articles for an online magazine about Beauty in the world, the arts and relationships.

Community Manager

NowFuture (2019)

My duties involved doing market research and creating and scheduling Instagram posts about entrepreneurship.

Freelancer

Self-employed (2018-2021)

I have worked for several companies' projects doing graphic design, translation, web research, testing and data entry.
